**Day of Trip:**

- **BALD HEAD FERRY** Please be sure to review the detail directions below and allow additional time to arrive at the ferry on time.
- Upon ARRIVAL to the Bald Head Ferry/Deep Point Marina (1301 Ferry Road in Southport, NC), drop off golf bags at the dock before parking. You will not see them again until you arrive at the golf course. Your bags will be transported directly to the course so you are not obligated to claim your bag at the island dock.
- **Please be sure your golf bag has a bag tag that clearly states your name.**
- After dropping off your golf bag, please park your car and immediately return to ferry dock. You will pay for parking when you depart from the parking lot. Do not lose your parking ticket. **If you lose your ticket, it is an additional \$5.00 charge.**

**Ferry Ride:**

- Ferry tickets will be handed out at the arrival dock by a Lori's Golf Shoppe associate. You will each receive 2 tickets – one for each way. **Please DO NOT put these tickets in your golf bag. If you lose your ticket, it is an additional \$5.00 charge.**

**Arrival on Island:**

- Shuttle buses will be ready for our group upon arrival to the island. Once we arrive, please wait for the Lori's Golf Shoppe associate to designate which bus you and/or group will ride. You do not have to sit with your pairings; all buses will go to the golf course together.

- You will not need to claim your golf bag when you arrive on the island. Therefore, be sure that your golf bag is clearly marked with your name. The golf course associates will be responsible for getting your golf bag from the dock to the course and then loaded on your golf carts. Associates will have pairings sheets and organize all golf bags accordingly.
- Please be sure to tip the golf course bag boys and dock workers (**gratuities are NOT included in our fees**). They all work very hard to make this day special for us and we all need to show our appreciation.
- Box lunches will be ready for pick up at 11:30 am. You can either pick up your lunch upon arrival or at the turn.
- Range balls are included in your round

**End of Round:**

- Ferry will leave at 4:30 pm, 5:30 pm or 6:30 pm. Last ferry off the island is at 10:30 pm.
- You will be asked to be ready at the golf course bag drop by 4:00 pm, 5:00 pm or 6:00 pm to be shuttled back to the ferry dock for the above ferry times. Shuttles will only leave from the golf course at these times. Your golf bags will also be transported at this time.
- You will pay for parking (\$10.00) when departing from parking lot in your car.

We hope you relax and enjoy your day at Bald Head Island. This is an **ALL DAY** event so be prepared to just sit back and take it easy. There are a number of restaurants and bars on the island to enjoy once you've completed your round of golf.
